Louada Raschke is a Licensed, Ordained Minister, Worship Leader, Recording Artist, Songwriter and Television Evangelist. Louada delights in seeing people transformed in God's presence as they worship and study His Word. Her TV program, "Be Free," airs 4 times weekly on the national Impact Network and features anointed Bible teaching and Christian music. In addition, her "Be Free" Radio program airs twice a week and features guest interviews and Biblical teaching. She ministers at churches, conferences, seminars,

Aglow International, The Coming King Foundation and other venues.

Louada grew up in a dysfunctional family riddled with alcoholism, drug addiction, rampant divorce, abuse, depression, strife, violence and crime. At a very young age she was engulfed in fear, rejection and hopelessness. There were no Christians in her family but at the age of 10 she accepted the Lord as her Savior. God began the process of healing her broken heart and renewing her mind. Satan tried many times to pull her into the established sin pattern of her family. Through the study of the Word and prayer, she began to understand that she did not have to give into temptation or follow in the footsteps of those before her. God broke the generational chains that had Louada bound. God gave her a future and a hope. He called her into the ministry to preach, teach and minister in music the powerful, life changing gospel of Christ that she had experienced firsthand.

Her mission, through the power of the Holy Spirit and the name of Jesus, is to win the lost, set the captives free from addictions, destructive patterns of thinking and lifestyles, to pray for the sick and they recover and equip the church to do the same. Louada is an intense, fervent worshipper of God and loves leading others in worship. She desires to be continuously aglow and burning with His Spirit. Her life and ministry is built upon John 3:32, "You shall know the Truth and the Truth shall make you free."
