GETTING TO KNOW EACH OTHER!

We thought it would be fun to get to know each other more than just by name or face. We would like to know more about you and thought you might want to know more about your leadership team. So, who better to start with than our fearless President, Linda Harper!

Linda is an ordained minister of the Gospel, an author, speaker, teacher and mentor. Linda has been married to her husband, Don, for 50 years. They have three children and four grandchildren. Linda lives on a 200 acre ranch in the Texas Hill Country which she and her husband named "Agape Ranch". It is a place where God has given Linda a heightened sensitivity to what He wants to speak into our everyday lives. Her mission on earth is from John 15:16 "to bear fruit that lasts for all eternity" and to equip fellow laborers for the harvest.

Linda was called to a life of ministry as a young girl. God faithfully led her along the pathway to her destiny even as she helped provide for her family, raised three children, and saw them all become the men and women God designed them to be. She studied with Bible Study Fellowship for twelve years learning what the Word says and how to apply it to her daily life. She has served as a Lighthouse leader in Aglow International for ten years, learning and understanding her governmental authority as a believer and how to pray with both faith and boldness. Linda was ordained as a Minister of the Gospel through Beth Shalom Ministries in April, 2018.

Linda also loves horses, but never had the opportunity to own one during the years her family was growing. In 2002, Linda and her husband moved to the hill country of Texas where God aligned all the details in order to give her the desires of her heart. Linda has recently written a book about her adventures with horses - a dream God fulfilled when Linda was 60 years old. The book has been described by one of those who read it as "the most thorough, orderly presentation of the simple gospel I have ever read." The book, *In The Round Pen – What God Has Taught Me About Himself Through Horses*, is available on Amazon in both soft copy and Kindle formats.
