SPEAKER: LAINIE JOHNSON

In 2009, Lainie moved to Kerrville, TX to purchase a professional beauty supply store – Armstrong McCall. She renovated and ran the store in Kerrville for 3 years and also built another one in Marble Falls. Lainie was working her plans, but God was grooming Lainie “for such a time as this”. Never did she dream that a lifetime of business ownership and sales would train her to save the lives of unborn babies.

Lainie has been the Executive Director of the Pregnancy Resource Center for more than 10 years. God has blessed this work and as a result, TPRC has grown over the years and now occupies a 5,000 square foot building on Alpine Drive. It’s estimated that 2,000 or more babies have been given a chance at life in the past decade due to the Pregnancy Resource Center.

The Pregnancy Resource Center provides free pregnancy tests, sonograms, options counseling, testing and treatment for sexually transmitted infections, and parenting education that is rewarded with free diapers, car seats, strollers and more. Last year the Pregnancy resource Center attended to 2,475 client visits. Some are handled by paid staff and some are handled by volunteers. The Pregnancy Resource Center welcomes volunteers as well as the practical contributions that enable them to continue to provide all that families need to survive in a difficult time.

FIRE STARTER BIBLE READING AT THE CROSS

On October 3, from 1-5 pm, we have an opportunity to practice what being a “community” Lighthouse is all about. We invite you to be a part of a team of readers who participate in reading the Bible out loud at the Cross for the second consecutive year! Many of you have already participated in this event in the past, so you know exactly how it flows.

First: we establish teams of readers to cover the hours assigned to Kerrville Aglow, by asking you to sign up and make the commitment.

Second: On the day and the time of your commitment, you arrive at the Pavilion just to the west and north of the Cross and take your seat. Bibles are provided, or you may read from your own Bible or from the Bible App on your phone. When your time to read arrives, you pick up where the previous reader left off. It has been amazing to me how God selects the specific scripture you will be reading because there is something in it just for you!

Third: In addition to reading the Bible, we have had the experience of being right where God wants us to be - available to witness to visitors at the Cross and to pray with people who have driven miles to find someone to pray with them. It is truly a blessing for all who participate.

We will be receiving our Lighthouse offering on that day. Your giving may be cash, check or by credit card (see “Give” below).

Call or email us today and let us know which time slot you would be available for the Lord to use you to glorify Himself!
