## **SPEAKER: Roberta Jones Hall, Area VP Leadership Development**

Bertie, as she likes to be called, is originally from Houston, Texas. She was called by the Lord at a young age, and ministered in prayer meetings, coffee houses, and youth groups throughout her junior high and high school years. She

completed a Bachelor of Fine Arts Degree from the University of Texas at Austin, and later worked in full time ministry at a church in the Dallas area, where she also taught in a Bible college. She traveled extensively in the United States and in Europe, before the Lord called her to leave full-time ministry, and become a physician.

Bertie earned her Doctorate in Medicine from the University of Texas Health Science Center Medical School in San Antonio, Texas, where she also completed her residency in Psychiatry, holding the position of Chief Resident during her final year of the program. Although she is retired, Bertie maintains a charity medical license and serves by assisting with disasters and special needs that arise within the community.

Bertie currently lives her purpose through investing in individuals, teaching Bible studies, and facilitating LifeChangers and GameChangers groups. Her passion is leadership training, and pouring into the faith and mental health of those in leadership roles.

## **WORSHIP LEADER: Louada Raschke and A-Cross Generations**

The Lord called Louada into ministry to share the life changing gospel of the Lord Jesus Christ through preaching, teaching and the ministry of music. Her desire is to win the lost, to see destructive lifestyles, addictions and habits broken, the sick healed and the church equipped for ministry. Louada is a licensed and ordained minister, worship leader, recording artist and songwriter, television evangelist, motivational speaker and much more. Louada delights in seeing people transformed in God's presence as they worship and study His Word. Her TV program, "Be Free", airs on the national Impact Network on Dish. Her mission is to lead people to freedom and healing in Christ. Her life and ministry is built upon John 8:32, "You shall know the Truth and the Truth shall make you free."
