She is a strong and wise leader, and an inspiration to all who know her. The joy of the Lord is Carol's strength and her heart is for Kingdom people to come to a place of wholeness knowing who He is in us and who we are in Him. Her heart is to see men and women restored to the plan, purpose and position that God has for them. Carol resides in Houston.

"Grace and Anointing."

Renowned musician and worship leader **Terry MacAlmon**

considers these two things as the hallmark of his life and ministry. Starting from his birth, when he was not expected to live past the first month of life, God's grace was present. Raised in a Christian home, Terry was a child prodigy, playing the piano with amazing ability from the age of three. Throughout Terry's early years and adolescence, he had repeated "visitations" from the Holy Spirit as he would play the piano and organ for church services in Lexington, KY. "God would often come upon me so powerfully I would begin to tremble, barely able to keep my fingers on the keys," recalls Terry. By the Spirit's leading, he has now authored 18 albums, including two gold albums and the world-renowned song "I Sing Praises." He has sold an estimated 2 million albums worldwide. He travels the U.S. and the world in pursuit of God's presence in worship. He is based in the Dallas-Ft. Worth metroplex.

Praise and worship will be led by **Rick and Cynthia Vela**, Associate Pastors and Worship Leaders at International Bible Church in San Antonio. Joining them will be their daughter Amanda, son-in-law Aaron Rodriguez, and their sons Segen and Emory. Amanda and Aaron have recently released their first EP as a duet entitled "Two Things One." They currently travel in full-time music/marriage ministry. **Bruce Hammond**, Worship Pastor of Restoration Church in San Antonio, will be featured on the keyboard. Bruce is a skilled musician and psalmist with years of experience with churches and other ministries and a heart for God's presence as sensed through worship.
