Zion Lutheran Church
624 Barnett Street, Kerrville, Texas
(In the Old Sanctuary)

SPEAKER: Kevin Powell, Senior Pastor, Breath of Life Outreach International

Pastor Powell's personal testimony includes being delivered from IV drugs, alcohol, and other drugs, being healed from five years of paralysis he had suffered as a result of an oilfield accident. He was also delivered from a spirit of suicide and from two separate snake bites from a Copperhead snake. He has visited heaven twice and authored the book *The Serpent in Today's Garden*, published in 2008.

In 1993, he was ordained through Open Door Ministries International. Also in 1993, an angel of the Lord led him to the Comal County Sheriff's Office, where the Lord had already told officers there that He was sending someone to preach to them. He preached in the County Jail for over three years and the inmates experienced salvation, healing and deliverance, some of them literally by being exonerated for the crimes for which they had been

incarcerated.

Today, Pastor Powell operates as Breath of Life Outreach International, a five-fold Ephesians 4:11-13 KJV ministry to every nation, tribe and tongue, all to the edification, glory and honor of Jesus Christ. Breath of Life Outreach International has 303 international branch ministries (200 orphanages) in Africa, Asia, India, Nepal, Pakistan and America. His active outreaches are to sinners, addicts, alcoholics, prisoners, the homeless, widows, orphans, and the lost.

Louada Raschke will be leading us in another powerful and anointed worship. Come and see how the Lord ministers to your heart as you encounter His Presence.

AGLOW News – Prayer at Women's Health Clinic

On February 19, 2022, the Monroe AM, North Carolina Lighthouse, represented by seven Aglow women, joined with another local group, Love Life, to pray at the Preferred Women's Health Center in Charlotte, North Carolina.

They began their day praying and sharing communion together. They read Joshua 6, the story of the Israelites taking Jericho because they felt this was the Biblical model they were to use to possess the land in the Spirit realm.

They circled the clinic seven times, blowing a shofar and then parked their cars. Taking 12 memorial stones with them, they used an acronym for the word 'abortion', and declared that GOD is ABLE to BRING the OBSCENE and RID us of it and TRANSFORM the INTENTIONS of OUR NATION. After singing several songs, they poured out the remaining communion elements representing the Blood along the front and both sides of the clinic. As they did that, they declared that the power of Jesus' Blood was accomplishing the power behind the words of the acronym. Then taking the memorial stones they had brought, they found a tree with a strong root system and built a small altar of remembrance.

While they were across from the clinic, three girls came up and told them that they had felt intimidated and decided not to have abortions! On that day, at least three lives were spared.

Aglow International is a Transformational Kingdom Culture with mindsets not of this world. As a Kingdom Movement, we are committed to seeing God's will done on earth as it is in Heaven by raising up champions and warriors across the earth who will bring freedom to the oppressed while providing opportunities for everyone in our spheres of influence to grow into radiant relationships with each other, as well as, the Father, the Son, and the Holy Spirit.
