

Cathy Caylor
NE Regional
Director of
Aglow International

Cathy Caylor serves as North East Director in New Jersey, New York, and Pennsylvania for Aglow International. She is a long-term member of Aglow International, and has served in various positions.

Cathy's heart is on fire, and the Word is alive, and she has been transformed from a life of rejection and fear into a Prayer Warrior. Cathy is a Fire Starter and a Game Changer.

Cathy is processing how to see all things and all people the way God sees them. Her prayer is that we may all know our identify and truly understand who our God is for us, who He is in us, and who we are in Him. She has a passion to see men and women of all generations and races walk together to bring The Kingdom of Heaven to the Earth.

Helen Joy Duperree
Aglow State Prayer
Coordinator
Pennsylvania

Helen Joy Duperree is a former youth pastor with a denomination that asked her to leave because the Holy Spirit came. It was in the midst of trying to understand why all that took place that she met up with Aglow. Aglow welcomed her with open arms and Helen then became the Generations Regional Coordinator, working once again with the youth on 5 college campuses in Philadelphia for 5 years.

Helen is now privileged to be part of The Warrior Class with Graham Cooke. She is also part of the Prayer Room at Capstone Legacy Foundation and is lead intercessor for Key Fellowship. She does a live prayer cast on Facebook each week, where she prays with people who come on for prayer. And most recently, she became State Prayer Coordinator for Aglow International.

ARE YOU ALL IN?

ARE YOU A GAMECHANGER?

"The Father has a dream on earth as it is in Heaven. He has a dream where people come together to have encounters with Him. He has a dream about church — that it is powerful, it is beautiful, and it is dreadful to the enemy. He has a dream and a passion about a bunch of people in the earth so radically affected by Him that they are totally vulnerable and susceptible to Heaven. He has a dream about a community of people in the earth that are just like Him . . . unchangeable, unshakable, unstoppable. God is dreaming about a company of GameChangers that He can use as a visual aid on the earth."
