

One of our

Most Requested Speakers:

Pastor Peter Young

Peter Young has been a pastor, praise leader, missionary and evangelist since 1992. Along with his wife Wendy, he now pastors New Horizons Fellowship which meets in Media, Pennsylvania. He has helped to found a Spanish-language church in Phoenixville, Pennsylvania, as well as several ministries in the Ukraine.

Peter especially loves to teach believers to live in the life of God flowing out of the Presence of God! He loves to use humor and testimonies and enjoys the free-flowing of the Holy Spirit as he shares the Word of God and leads in praise and worship! He and Wendy have four adult children and reside in West Chester, Pennsylvania.

Everyone we talk with, who has been attending Aglow over the years, all say the same thing: "Aglow Ministry has changed my life. We have learned, and grown, so much in the Lord. We would not be where we are now without the ministry of Aglow."

God may be calling you to serve Him through Aglow. Please speak with one of our Aglow leaders and see where you can make a difference..

WHAT'S IN A NAME?

DOES OUR NAME DESCRIBE WHO

AND WHAT WE ARE?

Everyone's name is significant and has meaning. God attributes Great Meaning and Purpose in the Names that He gives. They not only describe Who we are but they also describe What we are. An example would be when God changed Abram's name (exalted father) to

Abraham (Father of Nations or Multitudes). God has a purpose and a plan for naming us. No one on earth would have come up with the name, "The Bride of Christ." God, Himself, deliberately chose ***that name*** for us.

What an Unspeakable Honor and Treasure God has placed upon us, both men and women. But what does it mean? How does God want that title to impact how we live and think? It will challenge us. God wants to transform our assumptions and traditions so that He can birth Jesus in us and through our lives. The outcome will not only change us but will bring revival and awakening to our family, our neighbors and our nation. We will be changed when God manifests His Life in us and through us as "His Bride" for the world to see.

We invite you to come and join us as we receive insight and revelation as Peter Young teaches us how to live in the very life and purpose of God and have God's presence flow out of us every day.
