

Why Aglow and Israel?

God is a God of redemption. The Bible is the love story of God's great plan of redemption for a fallen world and His relationship with the nation of Israel and the Jewish people is central to that story. They are the vehicle God has chosen to bring about His plan of restoration for mankind which will culminate in establishing His Kingdom reign on earth, ushering in the return of Christ. Israel and the Jewish people have a significant role yet to be completed.

Aglow stands in covenant relationship with the Body of Messiah. We recognize that they are key, not only to Israel and the Jewish people coming into their full prophetic destiny, but also to the Church coming into her full inheritance. "Now if their (the Jewish people) fall is riches for the world, and their failure riches for the gentiles, how much more their fullness" (Rom. 11:12).
