

PRESIDENT'S MESSAGE

As I STEP into my new position as President of Central/South New Jersey Aglow Area Board, I pray My Vision for NJ Aglow is aligned with Aglow International's Vision. I also pray that I lead with love, respect and faith and for all of you to take greater steps of faith and commitment to promote the Kingdom of God in New Jersey through Aglow. Remember it is a commitment and we must prioritize accordingly and in obedience. I love you!

You Were Chosen!

Wow! Talk about a big disappointment!
Jesus and his disciples were walking that dreaded walk to Gethsemane, (the olive press), when He asked some to remain and then **chose three** to continue with Him. I cannot imagine how He must have felt when the 3 Men he chose to go farther than the rest could not even stay awake to pray for Him. I cannot imagine how the 3 disciples felt when they Failed him over and over again. He asked them to pray for one hour. One very critical hour!
These men are a good examples of complete failures. **Yet they were the chosen.**

God chooses us. We may not be the brightest in the room or the smartest or most educated. We may not be the most skilled or the most spiritual. However, we are placed and positioned for His purposes on earth for such a time as THIS! The sooner we learn this, the better off we'll be.

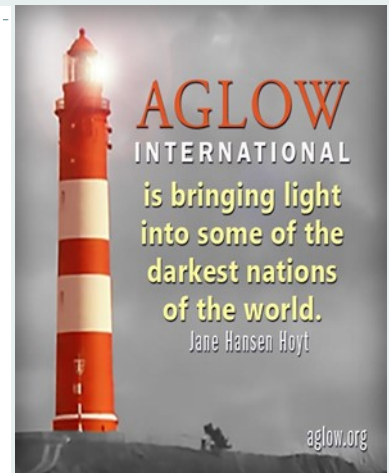

We must accept what we are not...think of that! Help us Lord, to accept ourselves and not think we must fit a mold.

What does **AREA BOARD PRESIDENT** look like? It looks like me... Me for this moment in time. And what do I look like? I look like Elaine, with all of her short comings, flaws and limitations. **But through Christ...** Well now, that's an entirely different story! Thank You, Father, we accept our positions in faith and obedience.

Glory to God!

In Christ,

Elaine Santo
CSNJ Aglow Area Board President
NJ Representative, N.E. Regional Development Team

THERESA'S MESSAGE

Let's Touch Our Communities
Theresa Davey
VP of Financial Development CSNJ Area Team
9/15/22

As summer is winding down it is the perfect time to evaluate and think on the possibilities that the upcoming season may bring.

I personally love the fall, pumpkin spice, the fresh cool mornings and the and..... the holiday season!

Yes I said it, the holiday season. It will be here before we know it!

What does this mean for your local lighthouses and communities? I believe it is a perfect time to reach out to churches, community centers, town hall/municipal offices, etc, and ask how Aglow can be a blessing/helping hand and come alongside of them in the work that they do. It's time to get involved with our communities.

Example: if the local church is having a coat drive, hat and glove drive, canned food drive get your lighthouses involved by asking for donations of the above items (no monetary gifts are allowed), collect them and drop them off with a card letting the church/organization know that they are being prayed for. Aglow info, and invitation to your next outreach should also be included.

Remember kindness and helping others is a great witness and shows the community that Aglow is with them. But above all it demonstrates the love of Jesus as we serve in this way.

We are blessed to be a blessing!

New Jersey Aglow let's do this!

Blessings,
Theresa

Central/South NJ Aglow Area Team Leadership Development Session

October 29th, 2022, 10-11:30 AM

Did you know that "Leadership Development" is different from "Leadership Training"?

Development is *Active, Engaged and Reciprocal* - "the process of growth, maturing and expansion." Training is *Passive and One-Sided* - "giving instruction, tutoring, teaching". We are looking to grow, mature and expand the King's Kingdom - as one united team. I am excited to meet with you and watch "iron sharpen iron".

Blessings, Sue Staeger,
VP Leadership Development.
